

Re: Jonathan Dents

To:

It is with great pride I recommend Jonathan Dents for your consideration. Jonathan is outstanding in every respect. He is dependable and reliable. He respects the opinions of others, but is unswervingly dedicated to a practice of personal integrity and ethics. Jonathan mentally prepares himself daily and he has the ability to evaluate situations, set goals, and reason out courses of action. Jonathan is the type of student athlete I am honored to be associated with. His work ethic and leadership are unprecedented.

Jonathan represents himself well academically. He voraciously studies in effort to meet his goals. He is highly ambitious and he persistently progresses in his leadership roles. Jonathan is actively involved at Birdville High School. He is a member of the Varsity Football, Basketball and Track Teams as well as many other school related activities.

I proudly recommend Jonathan for your consideration. He is the kind of sedulous student leader we want to promote.

Sincerely,
